

EXTRA-CURRICULAR
PROGRAMME

EARLY YEARS AND JUNIORS
SPRING 2025-26

Aims: Developing Important Skills

At The British School of Amsterdam, our Extra-Curricular Programmes (ECPs) are more than just after-school activities - they are a vital extension of our commitment to nurturing, inspiring, and empowering students to thrive. Each activity is thoughtfully selected to enrich your child's overall learning experience and personal development.

To give you clear insight into the skills your child may build through these programmes, we've created an overview available on the parent portal. This document highlights key competencies developed across our ECPs. For paid activities, you'll also find detailed breakdowns featuring radar charts that show the specific skills each activity targets.

While we take every measure to provide a safe and supportive environment, please be aware that some activities - especially sports - carry an element of inherent risk.

Please note the following important details regarding the Spring ECP:

1. We offer a combination of teacher-led extra-curricular activities (ECAs) at no additional cost, along with specialist-led activities for a fee. Our goal is to provide a broad range of ECAs that cater to diverse interests.
2. The programme will begin on Monday 12 January and run for 10 school weeks, concluding on Friday 27 March 2026.
3. Our ECP is managed through an online system, SchoolsBuddy. Parents should now have a personal account to complete sign-ups and receive up-to-date information about all ECAs. If you are new to the school, or have not yet activated your account, you will receive an email with instructions. Should you encounter any issues, please contact us at ecprogramme@britams.nl.

Please note that all paid Extra-Curricular Activities (ECAs) include a standard tuition fee of €130 per term, which covers 10 sessions. Some activities may also require a small additional fee for materials. Full details are provided during the sign-up process.

Overview of Activities

Monday

Activity / Club	Year Group	Provider	Number of students	Cost
EYS Board Games	Reception and Year 1	Teacher-led	4-12	Free
Ballet	Reception and Year 1	Pauline Holden	8-12	130 euros

Booking Information and Procedure

Booking Information and Procedure

This booklet provides an overview of all activities available across our Primary School, including Early Years and Junior sections. For more detailed information, please refer to your SchoolsBuddy account. If you're new to the school, you should have received an activation email at the address you provided.

Booking will begin on Wednesday 10 December and will finish on Tuesday 16 December. Activities run from the week beginning 12 January to 27 March with the following exceptions:

- Half term week: No activities running Monday 23 to Friday 27 February.

We have a limit to the number of activities allowed dependent on the age of your child:

- **Reception - only one activity per week**
- **Year 1 - no more than two activities per week**
- **Years 2, 3, 4, 5 & 6 - no more than three activities per week.**

Please Note: Children in Nursery do not participate in the Extra-Curricular Programme.

Activities start after school and finish at the following times:

- Early Years School (Reception and Year 1) - 3.30pm to 4.30pm
- Junior School (Year 2 to Year 6) - 3.45pm to 4.45pm

Using SchoolsBuddy

The entire sign-up process will be done via SchoolsBuddy. Once your account is active, you will be able to see the sign-up container that applies to your child(ren).

- The sign-up system allows you to select up to five activities per week, which should be in order of priority.
- Selecting more than the maximum allowed (e.g. 5 options) is recommended to provide alternative choices in case your top selections are oversubscribed.
- The system is NOT a first-come first-served system, as long as you send your choices before the sign-up window closes, when you submit your choices makes no difference in terms of allocation.

- Activity places are allocated using the SchoolsBuddy algorithm. This system is designed to maximise the chances of your child getting into the highest possible number of their priority choices.
- Popular activities may reach maximum capacity. If this happens, your child will be allocated to the next choice on their priority list. SchoolsBuddy keeps a score of past allocations to compensate children who did not get all their desired choices in future sign-ups, ensuring fair allocation over the academic year.
- After making your choices, click **Review & Confirm** to check your preferences and then finalise your submission by clicking the **Complete and Send All to School** button.
- You will receive an email confirming your choices. If you do not receive an email, your submission may not have been fully completed so please review the process.
- You can amend your choices while the sign-up window is open by clicking Review in SchoolsBuddy. You must resubmit your choices after making any changes. Amending your choices does not affect the likelihood of getting your preferred activities.
- You will receive an email regarding the extra-curricular activities your child has been admitted to on Thursday 18 December. If you have not got into the activity of your choice or have any other issue, you will then be able to make other arrangements by contacting Mr Piqueiras.
- All ECA payments are processed through SchoolsBuddy. Each activity includes a trial session (Session 1) at no cost, provided we receive confirmation that your child will not continue before Session 2. If your child withdraws after the first session but before Session 3, fees will be charged on a pro-rata basis. If no notice is received by Session 3, the full fee for the term will be applied.

Please scan the QR code to access the SchoolsBuddy login page.

For any queries, please do not hesitate to contact Mr Piqueiras on ecprogramme@britams.nl.
